Subject: RE: SJR dredging project - 17513 River Rd

Stuart,

One of our Inspectors visited what we know as 17703 River Road and posted a Notice of Violation.

Do you have any contact information or photos for the subject ? Just being off one or two lots can make a difference in ownership.

Attached is a portion of the violation file.

Thank you.

Subject: SJR dredging project

Good afternoon Jesse! Any new information or are there any new developments regarding the dredging/development project in the San Jacinto River near 17513 River Rd.?

9752056

Thanks,

Stuart Mueller
